# Wacky Weather

March has all kinds of weather going on! Use these clues to make a picture history. Draw the correct weather symbol on each day.

1. It rained every day that could be evenly divided by 6.
2. A cloudy day always came before a rainy day.
3. There was a snowstorm for two days in the middle of the month, starting on a Saturday.
4. There was only one windy day, exactly in the middle of the month.
5. All the rest of the days were sunny.

**Notes:**
On the Road

Using the small pictures as clues, fill this puzzle with some familiar vehicles that you might see as you travel around. We have left you some V-R-O-O-Ms as a hint.
Sonja is driving with her family from your home in Maine back to her house in California. On the way she stops in eighteen different states. At each stop she mails you a postcard with the state abbreviation on it. But the postcards don’t arrive at your house in order! See if you can plot Sonja’s trip on the map below. Shade in each state as you put the postcards in order from Maine to California.

Silly Shopping

J.T. and his Pops have gone food shopping. Can you see the 19 silly things in this market?
Look Alikes

See if you can find shapes and patterns that are the same in both pictures.

HINT: The shape might be the same, but the way it is used might be completely different! For example, the cloud in the top picture is the same shape as the icing on the cupcake in the bottom picture!
