

## Holy Cross Summer Fun 2020

### **GAME:**

#### *Follow the Disciple*

#### **Materials Needed:**

- Children
- Some brainstormed creative faith actions

#### **Procedure:**

1. Before playing, brainstorm some potential movements or actions that could relate to faith.
  - a. Examples: bless, teach, love, pray, perform miracles, help others, etc.)
2. Talk about what a “disciple” is: someone who spreads the message and actions of Jesus to the community.
3. Choose one child to be the “disciple.” This child will lead the rest of the group around the house or yard, trying out different actions that relate to faith.
4. With each action that the child does, the rest of the line follows what the disciple does.
5. After a few minutes, the first child goes to the back of the line and the new line leader becomes the new disciple.
6. After everyone has gotten the chance to be the disciple, talk about this game.
  - a. What was it like being the disciple?
  - b. What was it like to follow the disciple?
  - c. How does this game connect to real life? When we act as disciples, how can our actions influence others?
  - d. Is it important for us to act as disciples to others? Why?
  - e. What happens when we don’t act as disciples? Could people follow our actions? If they do follow us, are we helping the world to be a better place?

**Please share photos of your game with Andrea so that we can put them on the website!**
