

# Holy Cross Parish Family Faith Fun 2021

## CRAFT:

### *Family Handprint Celebration*

### **Materials Needed:**

- Sheet of paper for each family member
- Colorful markers or crayons
- Pens (if you'd like to use them)

### **Procedure:**

*A key theme of our faith is having hope in the Lord. This craft focuses on the key qualities that God has given to each of us, making us stronger together.*

- Have everyone sit around a table together, with their piece of paper in front of them.
- First, have each family member draw an outline of their handprint in the middle of the paper. (Little ones might need help from an older child or adult to do this.)
- Next, have each child write his/her name at the top of their page (again, possibly with the help of an adult).
- After everyone has their page ready with their name and their handprint, have each family member use one color of marker or crayon.
- Pass around the pieces of paper so that each person receives a different person's paper. Write or draw a detail that is special to the person whose name is at the top of the page (a key characteristic, a memory, a describing word, etc.). Little ones can draw pictures, if they'd like.
- Make sure that each person gets to write or draw on each person's piece of paper, filling their paper with affirmations and love.
- You can pass each sheet around a couple of times, if you'd like, to fill the papers even more.
- After completing these sheets, hang up the papers so that the family members can be reminded of how they are special and how they are loved.

**Please share photos of your game with Andrea at Holy Cross Parish ([aswanson@archdpdx.org](mailto:aswanson@archdpdx.org)) so that we can put them on the website!**
