

HOLY CROSS CATHOLIC CHURCH

Will have another

Vaccination Clinic

against **COVID-19**

Saturday, November 27, 2021

From 8:00a.m. to 3:00p.m.

in the church and the parking lot.

We will have available the Pfizer, Moderna and Johnson & Johnson vaccines.

The first and second dose vaccines will be administered for adults, youth, and children over 12 years of age, as well as the Pediatric Vaccine.

Our children are exposed to this virus and now we can offer them protection just like all other family members.

We will have an **Informational Meeting** for all parents who have questions or concerns about the **Pediatric Vaccine**, on **Saturday, November 20** at **1:00p.m.** in the church.

We will have food boxes for every family who attends!!
