

# ANNUAL REPORT

FISCAL YEAR 2021-22

JULY 1, 2021-JUNE 30, 2022

Educating Children in the Light of Christ

*Dear Friends, Benefactors, and Supporters,*

Educating our children in the light of Christ” is the mantra that we live by each day and one that we instill in all of the students we are entrusted to educate. As the philosopher Aristotle said, however, “educating the mind without educating

the heart is no education at all.” Our fundamental belief is that Christ Himself is the reason our school exists in the first place and following His example is at the core of our mission. We thank you for sharing in the work entrusted to us by the Lord, especially how you help us prepare our students to eventually leave 5202 N. Bowdoin ready to make an impact on the world.

Each day, it delights us to promote both academic excellence and generous service. We also promote respect and tolerance for everyone. Our aim is to encourage and empower our students to recognize and develop their God-given potential, to deepen their faith, and to grow in awareness of their moral responsibilities to one another and to the larger community. Again, thank you for supporting Holy Cross Catholic School in this all-important work.

*God bless you all,*

**Fr Mark Bachmeier** Pastor

*Dear Friends of Holy Cross Catholic School,*

Holy Cross Catholic School has educated children in the light of Christ for over 100 years, and this mission continues to be one of opening the doors of Catholic education to all children, regardless of the financial circumstances of their families. In looking

at the most recent challenges we faced and the accomplishments we achieved over the last couple of years, one thing becomes abundantly clear to me: the generous support provided by our donors was instrumental in Holy Cross overcoming many obstacles and a key factor in our success.

We are pleased to welcome the following teachers to Holy Cross: Ms. Katie Wilcox, Kindergarten, Ms. Jackie Wang, 1st Grade, Ms. Keelin Burk, 4th Grade, and Ms. Sierra Faoro, Instructional Assistant. We are blessed to have these fine educators join the Holy Cross community.

On behalf of the faculty, staff, students, and families of Holy Cross Catholic School, thank you for your continued support. Your generosity makes it possible to continue our 110-year-old tradition of supporting and challenging our students in their pursuit of learning and embracing the responsibilities of faith and citizenship. I look forward to celebrating our wonderful community with you in 2023.

*Blessing to all and with deepest gratitude,*

**Julie Johnson** Principal

## ABOUT OUR SCHOOL

For 110 years, our school has educated and nurtured children in North Portland. We are united by faith and community, guiding our children as they develop into responsible, compassionate citizens who respond with reverence, respect, and integrity to family, Church, and the global community.

## OUR MISSION

We, Holy Cross Catholic School, take Jesus as our model, in order to serve our diverse parish, surrounding parishes, and our entire neighborhood. We open doors to a rigorous Catholic education for all children, Pre-Kindergarten through 8th grade. The school, in the light of Christ, nurtures, affirms, and challenges students in their pursuit of learning and the responsibilities of faith and citizenship.

## CORE VALUES

**Belief:** We guide children to a deeper understanding of their faith and inspire them to take a Christ-like role in the world, acting on faith and nourishing hope.

**Learning:** We challenge students to high academic exploration and achievement.

**Righteousness:** We form young people and their families to serve as Jesus served and further God’s justice in the world.

**Family:** We strengthen the bonds of family, the first source of education and spiritual enlightenment. As part of the Body of Christ, we also enfold children in our nurturing Christian family.

## LIBRARY GRANT

This year Holy Cross received three library grants from the State Library of Oregon. With these grants the library received a mini facelift. New chairs were purchased for the middle schoolers and washable floor cushions for the younger grades. The library sports new rugs, iPads, and a new check-out computer. The largest gift was the purchase of over 600 books with most of the books written by authors of color making our library one of the most diverse of many Catholic schools. A major goal at Holy Cross is to cultivate a positive identity formation for every student by encouraging students to confront racial and ethnic injustices as well as learning differences while preparing them to work together in a diverse world.

*"More than ever I find myself  
In the hands of God.  
This is what I have wanted all my life  
From my youth.  
But now there is a difference;  
The initiative is entirely with God.  
It is indeed a profound spiritual experience

So totally in God's hands."*
